

[Linear Equations]

$$v = p_1 v_1 + p_2 v_2 + p_3 v_3 + \dots + e,$$

$$v = p_1 v_1 + p_2 v_2 + p_3 v_3 + \dots + e,$$

$$v = p_1 v_1 + p_2 v_2 + p_3 v_3 + \dots + e;$$

v: manifest variable

p: path coefficient

e: residual term for endogenous variables
